The Perpetrator Perspective
1954: Brown v. Board of Education
1971: *Swann v. Charlotte-Mecklenburg Board of Education*

1974: Milliken v. Bradley
What’s the Connection?
Code Reuse
Why This Matters
Correlation is not Causation. *Duh.*
We can do better.
Acknowledgements

Thank you to Dr. Ben Wright at the University of Texas at Dallas, who encouraged me to write this paper in the first place, who decided to send me a link to submit a proposal to Digital Frontiers 2017, and who let me hijack one of his classes to practice my presentation.
