Proposal Preparation Workshops

• Challenge - Many students not starting their proposals
• Partnership
  • Libraries organize and run workshops
  • Graduate school advertises and evaluates workshops
• Workshop content – how to write the proposal, effectively search, and use RefWorks
Potential Discussion Topics

• What milestones are challenging for your students?
• What have your partnerships done for the students?
• Has the library received recognition and how?
• Who has been your best partner and why?
