-----. Water, Health and Society: Selected Papers by Abel Wolman. Bloomington, Indiana University Press, 1969. (\$15.00 -- expected date of publication, May 1969.)

Wiel, S. C. Water Rights in the Western States. San Francisco, Bancroft-Whitney Press, 1912.

Wollman, Nathaniel. ed. The Value of Water in Alternative Uses. Albuquerque, University of New Mexico Press, 1962.

Zimmerman, Josef D. Irrigation. New York, Wiley Press, 1966.

Government Publications

Annual Reports of the Department of Water Resources of the various States. e.g., State Department of Water Resources of California. Sacramento, California.

Federal Inter-Agency River Basin Committee. Proposed Practices for Economic Analysis of River Basin Projects. Report to the Committee prepared by a Subcommittee on Benefits and Costs. Washington, U. S. Government Printing Office, May 1950.

Federal Power Commission. Hydroelectric Power Resources of the United States, Developed and Undeveloped, 1960. Washington, U. S. Government Printing Office, 20402.

----- Annual Reports of the Commission. (May possibly be acquired without charge by placing library on mailing list.)

Langbein, Walter B. Annual Run-Off in the United States. United States Geological Survey Circular No. 52. Washington, U. S. Government Printing Office, 1949.

U. S. Army Corps of Engineers. Annual Reports of the Chief of Engineers on Civil Works Activities, in 2 vols. Vol. 1 contains general review by Chief of Engineers of civil works projects. Vol. 2 contains specific project data, usually running to 1,700 pages or so. These volumes are printed annually as House Documents and could be obtained through the U. S. Government Printing Office, Washington, or possibly, by requesting that library be placed on the Corps of Engineers' mailing list, they may be received without charge.

----- Biennial State Pamphlets, covering data on activities of the Corps of Engineers in each of the 50 States and Puerto Rico. The most recent State reports are dated January 1969. These may be obtained by writing the Division or District Engineer's Office; e.g., for the Colorado State Report, write Division Engineer, Department of the Army, Missouri River Division, Corps of Engineers, P. O. Box 103, Downtown Station, Omaha, Nebraska 68101, or District Engineer, Department of the Army, Omaha District, Corps of Engineers, 7410 U. S. Post Office and Court House, 215 North 17th Street, Omaha, Nebraska, 68102.

- U. S. Bureau of the Budget. Panel of Consultants to the Bureau of the Budget. Standards and Criteria for Formulating and Evaluating Federal Water Resources Development. Washington, U. S. Government Printing Office, 1961, or Bureau of the Budget, Executive Office Building, Washington, D. C., 20500.
- . Reports and Budget Estimates Relating to Federal Programs and Projects for the Conservation, Development, or Use of Water and Related Land Resources. Circular No. A-47. Washington, Bureau of the Budget, 1952.
- . Department of Agriculture. Water, Yearbook of Agriculture, U.S.D.A., 1955. Washington, U. S. Government Printing Office, 1955. (\$2.00).
- . Department of the Interior. Annual Reports of the Secretary of the Interior. Washington, U. S. Government Printing Office, annually. For sale by U. S. Government Printing Office, Washington, D. C., \$1.75, or possibly without charge by requesting same from Secretary's Office.
- . Bureau of Reclamation. Vol. 1, Annual Report by Commissioner of Bureau of Reclamation, and Vol. 2, Statistical Appendix. Washington, U. S. Government Printing Office, or by requesting from Bureau of Reclamation.
- . Commissioner's Office. Analysis of Cost Changes, Authorizations, and Benefits of Reclamation Projects. Denver, Office of Bureau of Reclamation, 1960.
- . Construction and Cost Trends. Denver, Office of Bureau of Reclamation, January 1961.
- . Region 2. Annual Project History, Central Valley Project, 1936-1961. 26 vols. Sacramento, Office of Bureau of Reclamation, Region 2, 1937-1962.
- . Bureau of Reclamation. Reclamation Repayments and Payout Schedules, 1902-1957. Washington, U. S. Government Printing Office, 1959.
- . Potomac Task Force Report. (This one is included because former Secretary of Interior Udall and former President Johnson recommended that the Potomac River be made a "model" of river basin development for all water uses.) Washington, U. S. Government Printing Office, 1967.

- U. S. House. Committee on Appropriations. Subcommittee on (1) Interior Department and Related Agencies Appropriations, and (2) Department of Agriculture Appropriations (esp. Soil Conservation Service). Annual publications. Hearings and reports by these subcommittees might be obtained free of charge by a request to be on the Committee's mailing list, or for a charge, from Superintendent of Documents, U. S. Government Printing Office, Washington.
- . Senate. Committee on Appropriations. Subcommittees on (1) Interior Department and Related Agencies, (2) Public Works, and (3) Agriculture Department. Hearings and reports on annual appropriations for these agencies for each fiscal year might possibly be obtained without charge by a request to be put on their mailing lists or by purchase from U. S. Government Printing Office, Washington.
- . House. Interior and Insular Affairs Committee. Subcommittee on Irrigation and Reclamation. Hearings, reports, and committee prints for each session of Congress might be obtained in either of the two ways cited above.
- . Senate. Interior and Insular Affairs Committee. Subcommittee on Irrigation and Reclamation. Hearings and reports might be obtained as suggested above.
- . Department of the Interior. Federal Water Pollution Control Administration. The Federal Water Pollution Control Program. Free on request. Washington, Federal Water Pollution Control Administration, 20240.
- . Interagency Committee on Water Resources. Proposed Practices for Economic Analysis of River Basin Projects. (Revision of 1950 Report). Washington, U. S. Government Printing Office, 1958.
- . Senate. Report of the Senate Select Committee on National Water Resources. Senate Report No. 29, January 30, 1961; and Committee Prints, 1 through 32, 1959-1961. 87th Congress. Washington, U. S. Government Printing Office, 1959-1961.

- U. S. Water Resources Council. The Nation's Water Resources, Parts 1-7. The First National Assessment of the Water Resources Council. Washington, U. S. Government Printing Office, 1968. \$4.25 (paper covers).
- . Summary Report, Part 1 of citation above. Washington, U. S. Government Printing Office, 1968. \$0.65.
- . Senate. Interior and Insular Affairs Committee. Committee Print. History of the Implementation of the Recommendations of the Senate Select Committee on National Water Resources. Washington, U. S. Government Printing Office, 1969.
- . President's Water Resources Council. Policies, Standards, and Procedures in the Formulation, Evaluation, and Review of Plans for Use and Development of Water and Related Land Resources. Senate Document No. 97. 87th Congress, 2nd session. Washington, U. S. Government Printing Office, 1962.
- . President's Water Resources Policy Commission. Water Resource Law. Washington, U. S. Government Printing Office, 1950.
- . Department of the Interior. Office of Water Resources Research, Water Resources Scientific Information Center. Vol. 1 in 2 parts (Federally-supported Research in Progress and Non-Federally Supported Research in Progress), OWRR-1/1 and OWRR-1/2, February 1965. Washington, U. S. Government Printing Office, Part 1, \$2.50; and Part 2, \$1.00.
Vol. 2, November 1966, U. S. Government Printing Office, \$6.50.
Vol. 3, December 1967, U. S. Government Printing Office, \$6.75.
- . Office of Saline Water. Annual Reports on Saline Conversion. Washington, U. S. Government Printing Office. \$1.50, annually.
- . Geological Survey. Water-Supply Papers too numerous to list. A request addressed to USGS for a list of their publications would enable you to select those you consider most relevant and important for your uses.
- . Department of the Interior. Office of Water Resources Research. Selected Water Resources Abstracts (bi-monthly). Free upon request to be on mailing list. Washington, Water Resources Scientific Information Center, Office of Water Resources Research, Department of Interior, 20240.

Periodicals

Journal of the American Water Works Association, 2 Park Avenue,
New York, New York 10016.

(Published monthly. Subscription to colleges, \$15.00
per year.)

Land Economics, Journals Department 129, The University of Wisconsin
Press, Box 1379, Madison, Wisconsin 53701.

(Published quarterly, \$10.00 per year subscription rate.
This periodical contains articles on planning for wise use of
urban and rural land, housing, air and water. Particular
emphasis is given to public action to achieve the best use of
all resources in the public interest.)

Natural Resources Journal, School of Law, The University of New Mexico,
1915 Roma, N. E., Albuquerque, New Mexico.

(This journal was begun in 1961: In 1961, 2 issues,
vol. 1, numbers 1 and 2, \$5.00; 1962, 3 issues, vol. 2,
numbers 1, 2, 3, \$7.50; 1963-1964, 3 issues, vol. 3, numbers
1, 2, 3, \$7.50; 1964-1965, 3 issues, vol. 4, numbers 1, 2, 3,
\$7.50.)

(Published 3 times a year, subscription rate, \$7.50 per year.)

American Forests, The American Forestry Association, 919 17th Street,
N. W., Washington, D. C. 20006.

The magazine of forests, soil, water, wildlife, and outdoor
recreation. Subscription rate, \$6.00 per year.

National Parks Magazine, 1701 18th Street, N. W., Washington, D. C.,
20009.

The official publication of the National Parks Association.
Subscription rate, \$5.00 per year to libraries and schools.

Water Resources Review, U. S. Department of the Interior, Geological
Survey, Washington, D. C. 20242.

Published monthly. Special-purpose and summary issues are
also published. Issues of the Review are free on application to
Water Resources Review, address given above. The monthly Review
shows maps and discusses streamflow and ground-water conditions
in each region of the United States, the usable contents of
selected reservoirs near the end-of-month in tabular form, plus
news of new publications for sale by U. S. Government Printing
Office, etc.

Reclamation News, 897 National Press Building, Washington, D. C., 20004.

Published monthly except November-December by National Reclamation Association. Subscription rate: Members, \$1.00 per year; non-members, \$5.00 per year.

Various journals published by divisions of the American Society of Civil Engineers, particularly the Journal of the Hydraulics Division and the Journal of the Division of Sanitary Engineering.

Write: American Society of Civil Engineers, 345 East Forty-seventh Street, New York, New York, 10017.

Engineer, published bi-monthly by Engineers Joint Council, 345 East 47th Street, New York, New York, 10017.

Subscription rate, \$2.00 per year.

Western Water News, Eleventh and L Building, Suite 305, Sacramento, California, 95814.

Published monthly by the Irrigation Districts Association of California. No subscription rate, but a \$5.00 donation per year will entitle you to receive the publication.

Law journals. e.g., the California Law Review, Yale Law Review, Rocky Mountain Law Review, Law and Contemporary Problems (Duke University Law School), and many others frequently carry articles on excess lands law, water rights, etc.

Miscellaneous

Commission on Organization of the Executive Branch of the Government:

(1) Organization and Policy in the Field of Natural Resources;
(2) Task Force Report on Water Resources Projects; (3) Task Force Report on Public Works: Report on Department of the Interior. House Document 122, 81st Congress, 1st session. 1949. Washington, U. S. Government Printing Office.

----- (1) Report on Water Resources and Power. House Document 208. 84th Congress, 1st session, 1955, and (2) Task Force Report on Water Resources and Power, 1955. Washington, U. S. Government Printing Office.

Note: Both of the above citations may be difficult to locate now, but you could try.

President's Water Resources Policy Commission: Vol. 1, A Water Policy for the American People; vol. 2, Ten Rivers in America's Future; vol. 3, Water Resources Law. 1950.

Note: These items also may be difficult to acquire, but you could try U. S. Government Printing Office, Washington.

President's Materials Policy Commission: Vol. 1, Resources for Freedom, June 1952. Washington, U. S. Government Printing Office.

House Committee on Public Works. Committee Prints: No. 21, The Civil Functions Program of the Corps of Engineers; No. 22, the Flood Control Program of the Department of Agriculture; No. 23, The Allocation of Costs of Federal Water Resources Development Projects; No. 24, Economic Evaluation of Federal Water Resources Development Projects, 1952. 82nd Congress, 2nd session. Washington, U. S. Government Printing Office.

Missouri Basin Survey Commission. Missouri: Land and Water. 1953. Washington, U. S. Government Printing Office.

Commission on Intergovernmental Relations. Report to the President for Transmittal to the Congress. June 1955. Washington, U. S. Government Printing Office.

League of Women Voters of the United States. Various pamphlets on water pollution control and pollution prevention, especially "Who Pays For a Clean Stream?" Publication No. 313. Usually free to educators, libraries, etc. Washington, League of Women Voters, 1200 17th Street, N. W., 20036.

American Petroleum Institute. Committee on Public Affairs. Air and Water Conservation News. Free. New York, 1271 Avenue of the Americas, 10020.

Manufacturing Chemists Association. Currents. (monthly). Free to libraries. Washington, 1825 Connecticut Avenue, N. W., 20009.

Conservation Foundation. News of the Conservation Foundation. Free, after request to be on mailing list. Washington, 1250 Connecticut Avenue, N. W., 20036.
