**Tritium Production from
Ceramic Targets:
A Summary of the Hanford
Coproduct Program**

Addendum: Bibliography

A. B. Johnson, Jr.
T. J. Kabele
W. E. Gurwell

July 1977

Prepared for the Energy Research
and Development Administration
under Contract E(45-1)-1830

NOTICE

This report was prepared as an account of work sponsored by the United States Government. Neither the United States nor the Energy Research and Development Administration, nor any of their employees, nor any of their contractors, subcontractors, or their employees, makes any warranty, express or implied, or assumes any legal liability or responsibility for the accuracy, completeness or usefulness of any information, apparatus, product or process disclosed, or represents that its use would not infringe privately owned rights.
