Dear Mr. Commissioner:

This is to offer my congratulations to you on your appointment as chairman of the 2005 Base Realignment and Closure Commission. This duty is a monumental and service-altering mission; and all decisions will be painful for our nation and our communities.

I look forward to having an ongoing conversation with you about the national security missions carried out by the military bases in South Texas over the next several months. The support the people of South Texas have shown for these facilities, their critical missions, and our national defense is unparalleled and we look forward to conveying this to the commission.

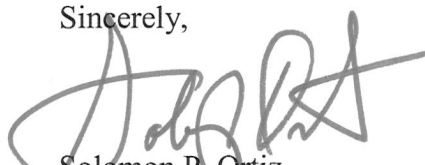

I am confident, that based on your Navy background, the military value of our South Texas naval facilities will be clearly apparent to you.

I do not envy you in this role, but you do have my eternal respect for the patriotic task of leading this commission and ensuring the needs of our service men and women are maintained.

With kindest regards, I am
