Daughter Cooks the Baby as told by Rosemary Boongnung Suungnem Rosemary Boongnung Suungnem do saam Khukhuu paomin

v 2017-09-01

[1-070|SN Rosemary Boongnung]

Mother asks Daughter to cook a pumpkin, but she misunderstands and cooks the baby instead. Fearing Father's wrath, Mother tells Daughter to hide in the attic. Daughter turns into a bird and flies away. Daughter asks her friends to bring food from her home, but they eat it themselves and bring her ashes and bark instead.

A full morphological analysis is available in the FLEx database in this collection. The database is updated as analysis proceeds. The text's unique Identifier, TN1070, can be used to locate this text in the UNT Digital Library, and also in the Lamkang FLEx database where it is stored in the Abbreviation field for the text.
