Women:
I am a 50-year old life-long resident of Clovis. I know
first-hand how this community has supported Cannon
community to insure a continued relationship with
the Air Force. Our Committee of Fifty strives to
constantly learn and address the needs of Cannon.
My father was a member of the Committee in the
750s and 60s.

Clovis has experienced growth in very recent years.
However, our economy is still dependent on the
continued presence of the Air Force in our
community. The economic impact would be devastating.
We are all concerned about the future of our
town. Please give consideration to the residents
of Clovis who have supported Cannon for the
last fifty years.

We love jet noise, the sound of freedom.
