This is regarding the realignment and closure of the 186th Air Refueling Wing in Meridian, MS. My son-in-law is a member of this squadron. He's a good husband and father and has just built a new house. The closure of this unit would put a hardship on him and his family. He's a brave soldier and serves when called.

Please keep the 186th in Meridian.

Thanks,

Dear Sirs:

My name is Logan Knight and I'm 12 years old. My father is MGt. Robert Knight, a boom operator in the 186th ARW in Meridian, Mississippi. I'm very proud of the job he does. I think the unit does a great job.

Please do not realign the 186th. I want them with him in Meridian!

Thank You,
Logan Knight
