 Re: CA closures.

Commissioner Principi,

* (1) S.D. NAVY COMPLEX AT BROADWAY. Should be closed for civilian usage.

(2) MCARD could be closed since $\frac{1}{2}$ of their training is at Pendleton. The Marines need to recruit ~~training~~ training commands. The Calif command could be Pendleton.

(3) MCARD should become a MWR base with trailers, mobile houses, hotel, etc for active duty and retirees. The base now is primarily used by retirees, not military.

* (4) Navy PG school in Monterey. Not needed. Waste ^{of taxpayers' money.} Send students to selected universities -

* (5) DOD language school Monterey - Relocate to Fort Huachuca, AZ.

Warm Regards,

* PRIME PROPERTIES. COULD BE SOLD AT HIGH MARKET PRICES.
