Dear Chairman Principi:

On behalf of the men and women of the 914th Airlift Wing, the 107th Air Refueling Wing and the Citizens of Western New York, I would like to thank you for your efforts in reviewing the possible closure of the Niagara Falls Air Reserve Station. I realize your task was a difficult one and that you and the Commission worked many hours on making the correct determination for the country. After reviewing the facts we feel your decision was the correct one.

Your willingness to meet with our Representatives, the Western New York Congressional Delegation and our Governor is greatly appreciated. I hope their input was helpful to you and the Commissioners during the entire process.

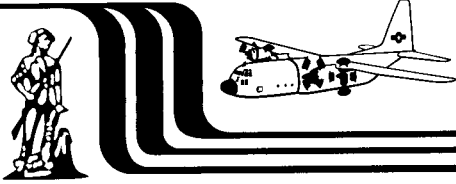

It was a pleasure to host your visit to Western New York for the Installation Visit and the Regional Hearings and if you are ever in the area, we would like to renew our friendships, so please contact us.

Again, thank you and we appreciate your service to the men and women of the Niagara Falls Air Reserve Station and our nation.

Sincerely,
