■ Land Use & Facilities

Training & Maneuver: 63,000 acres

Impact Areas: 26,000 acres

Built-up Areas: 15,000 acres

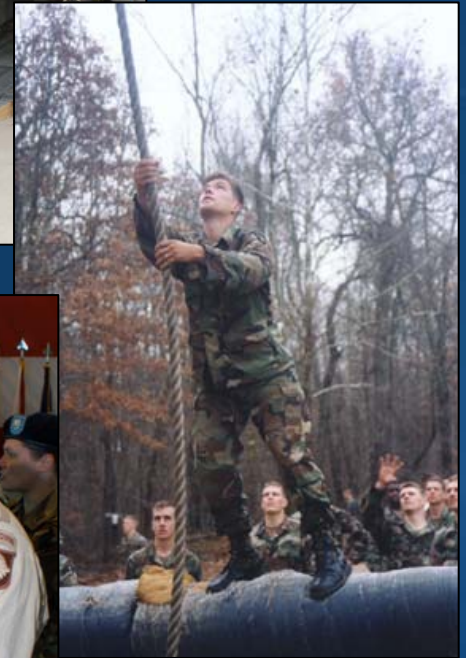

Facilities: 3,000 bldgs / structures

Facilities sq. footage: 19.2M

Fort Campbell Core Competencies

- Power Projection
- Mission Training
- Well Being

Power Projection

AIRBORNE

AIRBORNE

AIRBORNE

Fort Campbell, Kentucky

Fort Campbell Power Projection

- Premier Power Projection Platform
 - Prepare, deploy and re-deploy active duty soldiers
 - Receive, house, train, prepare and deploy mobilized Reserve Component soldiers
- Deploy via all four transportation modes
- Capable of deploying soldiers/equipment directly to Theater of Operation

Deployment Capabilities

Fort Campbell

Jacksonville

Airlift Capabilities

- Campbell Army Airfield
 - Largest Army Airfield
 - \$44M in improvements since 1991
 - Can airlift soldiers & equipment directly to Theater of Operation
 - 11,800 ft. main runway
 - Maximum on Ground (MOG) capacity of 15 C-5s or 20 C-17s
 - Passenger Processing Facility

Rail Capabilities

■ Overview

- Primary method to deploy equipment to port (Jacksonville, FL)
- \$40M in new RR facilities since 1996
- 17 miles on-post track/18 miles off-post

■ Rail Operation Facility

- 10 ramps, 20 cars each (200 cars)
- Lighted for 24-hour operations
- Concrete staging area for 900+ pieces of rolling stock
- Process 240 railcars / 24 hours
- C2 Rail Operations

■ Railroad Road Connector

- Connects to CSX main line
- Interchange 100 cars / 30 minutes

Primary Barge Route

Lock
C

Fort Campbell

■ Barge Operations

- Army facility on Cumberland River, approximately 20 miles away
- Can transport rolling stock, containers and aircraft
- Primarily used for training deployments

Mississippi River

Fort Polk

New Orleans

Primary Line Haul Route

■ Line Haul

- Interstate within 4 miles
- Can load 160 commercial carriers/24 hours
- Several access points to Strategic Network route
- Good road network to Port of Debarkation (Jacksonville, FL), approximately 625 miles away

Self Deploying Aircraft

- Rotary-wing aircraft self-deploy to NAS Jacksonville
- Aircraft are flown to Blount Island for break-down, shrink-wrap and ship-load
- Entire process can be completed in 8 days
- Distance to JAX approx. 625 miles

GWOT Mission

As part of the Global War on Terrorism, Fort Campbell:

- Supported the deployment of 26,500+ soldiers from the 101st Airborne Division and other A/C units to Iraq (OIF) and one Brigade to Afghanistan (OEF)
- Mobilized 132 units and over 8,658 Reserve Component soldiers since 9/11
- Demobilized 44 units and over 11,641 Reserve Components soldiers since 9/11
- Provided other support services to 4,407 soldiers

Major Tenant Units

Fort Campbell, Kentucky

101st Airborne Division (Air Assault)

101st Airborne Division (Air Assault)

*“The 101st Airborne Division is the world’s
only Air Assault Division”*

- **Mission**

Deploy in 36 hours, worldwide, to defeat enemy forces, control land area, including populations and resources, by employing the unique characteristics of the air assault Division.

- **Recent Deployments:** Kosovo (K4),
Afghanistan (OEF) and Iraq (OIF)

- **Authorized Strength:**
16,480 soldiers

101st Airborne Division (Air Assault)

- **Capabilities**

- Terrain/obstacle independent
- Agility and speed combined with lethality
- Versatility and flexibility
- Fight and fly day or night
- Dominant maneuver – can air assault a brigade team

150km in six hours

- Precision strike fires – attack deep with up to 3 attack battalions
- Achieve operational depth for theater/corps commander

- **Future Force:**

- Transforming to Modularity

160th Special Operations Aviation Regiment

160th Special Operations Aviation Regiment (Airborne)

- **Mission**

The 160th SOAR(A) will organize, equip, train, resource, and employ Army special operations (SOA) forces worldwide in support of contingency missions and the warfighting commanders

- **Current Deployments:** Afghanistan & Philippines (OEF), Iraq (OIF), and other ongoing operations in support of Department of Defense objectives

- **Authorized Strength:** 1,411 soldiers

160th Special Operations Aviation Regiment (Airborne)

■ **Capabilities:**

- Force Projection: Soldiers and equipment configured to rapidly deploy worldwide as a component of the combat commander's theater engagement plan

- Manning: Specially selected and trained soldiers able to operate in the most austere environments and under the most demanding conditions and win

- Aircraft Capabilities: Aerial refuel, precision aerial gunnery, expanded fuel endurance, redundant navigation and communications equipment, fully integrated cockpits, terrain following/terrain avoidance radar

- Airborne capable combat support able to establish forward logistical lodgments in support of operations.

■ **Future Force:** 1,820 Soldiers (29% increase by 2011)

5th Special Forces Group (A)

5th Special Forces Group (A)

“The 5th SFG(A) is the only fully mounted Special Forces Group in the United States Army”

- **Mission**

Conducts special operations (unconventional warfare, foreign internal defense, special reconnaissance, direct action, and counter terrorism) in support of the Commander, U.S. Central Command

- **Current Deployments:**

Afghanistan (OEF), Iraq (OIF), and ongoing operations in support of the global war on terrorism.

- **Authorized Strength:**

1,400 airborne qualified soldiers

5th Special Forces Group (A)

- **Capabilities**

Organized, equipped and trained to conduct long duration operations in extremely remote and hostile territory with minimal logistical support

Trained and equipped to conduct various methods of infiltration into the operational area

Capable of conducting long range mounted movement in a desert environment utilizing modified ground mobility vehicles

- **Future Force:** Additional direct support company programmed (approximately 100 soldiers)

101st Corps Support Group

"Support the Eagle"

- **Mission**

The 101st Corps Support Group supports the 101st Airborne Division (Air Assault) to include receiving and processing all replacements to Fort Campbell, providing local and line haul transportation support, operating the Departure/Arrival Control Group, providing direct and general maintenance support, furnishing medical support to the installation hospital and training for soldiers at Fort Campbell's NCO Academy.

- **Recent Deployments:**
Afghanistan (OEF),
Iraq (OIF) & the Balkans

- **Authorized Strength:**
2,460 soldiers

86th Combat Support Hospital

*“Most Frequently Deployed Hospital
in the U.S. Army”*

- **Mission**

Deploy rapidly, to provide comprehensive, high quality combat health support to our forces worldwide, across the spectrum of military operations. Be prepared to assume Medical Task Force command and control and to conduct split-based operations

- **Recent Deployments:**

El Salvador, Kosovo,
Afghanistan & Iraq

- **Authorized Strength:**
398 Soldiers

U.S. Army Medical Activity Blanchfield Hospital

■ Mission

- Ensure healthy, medically protected Soldiers
- Deploy trained and ready medical forces
- Manage the care of Soldiers, Families, & Retirees

■ Facilities

- Blanchfield Army Hospital (494,000 sq ft, 241-bed facility)
- LaPointe Army Health Clinic (serves AC outpatients)
- Aviation Medical Clinic (aviation health services)

■ Supported Population:

86,557

■ Authorized Strength:

1,284 employees

Directorate of Dental Services

■ **Mission**

- Maintain the dental readiness of supported units
- Plan for mobilization and emergency preparedness
- Provide high quality dental care to all beneficiaries
- Conduct the Advanced General Dentistry, 1-Year Program
- Provide continuing dental education and improve combat related skills.

■ **Facilities**

- Four (4) dental clinics

■ **Supported Population:** 24,397

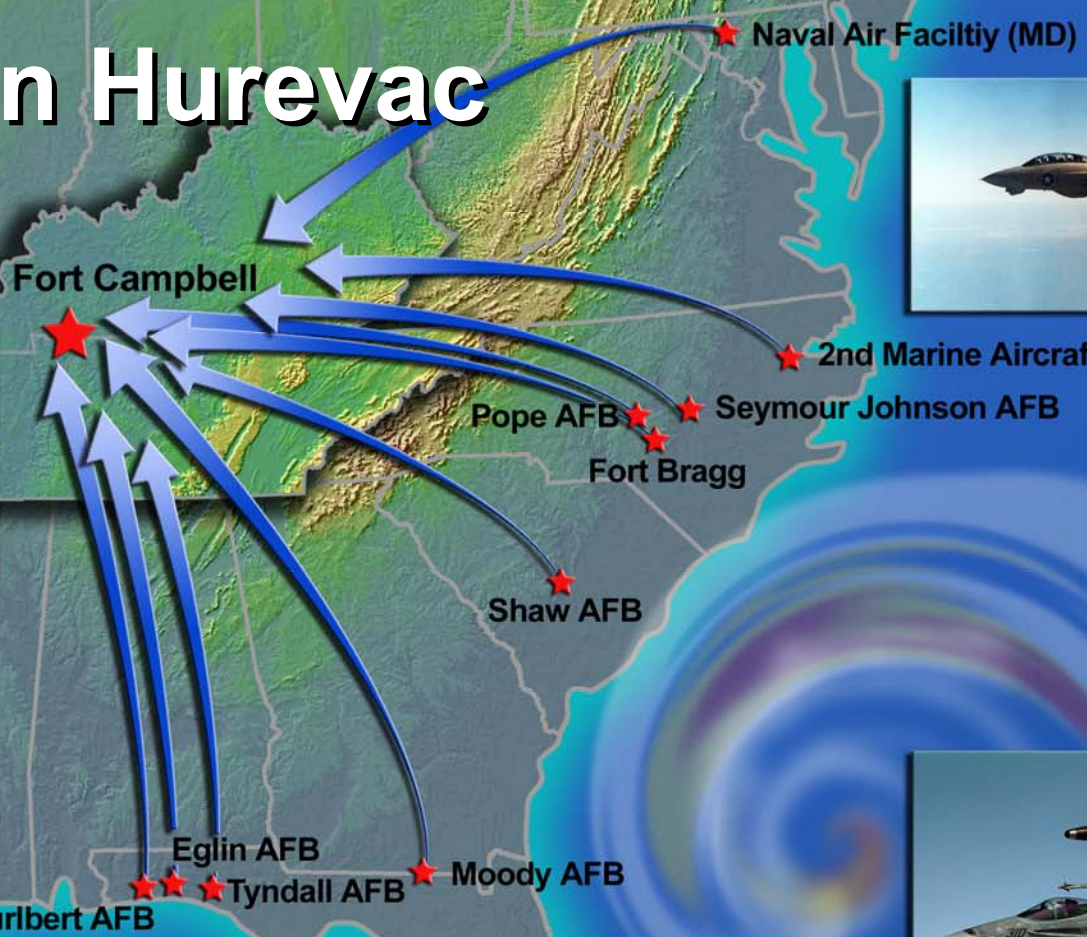

■ **Authorized Strength:** 130 employees
