The Portal to Texas History

94,728 digital objects, 848,555 digital images

- Serves as a digital gateway to Texas history collections throughout the state.

- Provides information for students, teachers, historians, and lifelong learners.

- Offers libraries, museums, historical societies, and archives leadership, tools, and guidance.

About the Portal
The Portal is a gateway to Texas history materials. You may discover anything from an ancestor’s picture in a college yearbook to a rare historical map.

Resources for Educators
We offer teaching materials that connect your students with primary source historical documents to dramatically enrich their learning.

See all resources...

Recent Additions
The Portal continues to grow as new partners contribute digital versions of their collections. See some of our latest materials here.

Recent Additions...

Featured Collection
John F Kennedy, Dallas Police Department Collection

The John F. Kennedy/Dallas Police Department Collection contains 404 photographs that include the “sniper’s nest” in downtown Dallas’ Texas School Book Depository Building, where Oswald allegedly fired on Kennedy’s motorcade; the back and front yards of the boarding house at 214 Neely; Dealey Plaza; the intersection at Tenth Street and Patton Avenue where Oswald allegedly fatally shot Dallas patrolman J.D. Tippit; interiors of the Texas Theater, where Oswald was arrested by Dallas police; and the basement of Dallas City Hall, where Jack Ruby shot and killed Oswald on Nov. 24, 1963.

Featured Partner
Sulphur Springs Public Library

The Sulphur Springs Public Library features images of Texans Katie and Buddy Sinclair during WWII. Images include foreign currency, WWII troops, and Camp Bowie. Buddy Sinclair served in the “Texas” 38th Infantry Division. These materials were scanned for the Rescuing Texas History Project.

how partnerships work

Model 1: We do most of the work

- UNT team scans, processes, describes, digitally preserves, and uploads your content into the Portal to Texas History. Your only responsibilities are preparing your materials getting them here, and covering the costs of the work.

http://texashistory.unt.edu/about/portal/how-to-participate/
Portal to Texas History

how partnerships work

Model 2: We share the work

- Either you or UNT can scan or describe your materials. Costs are based on who does the work.

how partnerships work

Model 3: You do most of the work

• You can send us scanned images and receive training to create your own descriptive records (metadata) in the Portal. There is no charge for processing, uploading and hosting.
