Results of radiation dose measurements of the insertion devices for the year 2000 have been added as Figures 29-35.

Figure 29: Measured Average Insertion Device Doses for Run 2000-1

Figure 30: Measured Average Insertion Device Doses for Run 2000-2

Figure 31: Measured Average Insertion Device Doses for Run 2000-3

Figure 32: Measured Average Insertion Device Doses for Run 2000-4

Figure 33: Measured Total Insertion Device Doses for Run 1996-6 to Run 2000-4

Figure 34: Measured Total Sector Doses from 1996-6 to 2000-4

Figure 35: Normalized Sector Doses from 1996-6 to 2000-4
