When all else fails, Google or email the team for help

Hey,
Looking for any insight to a few signatures:

[Signature]
1974- School of Business

Graduate Committee

[Signature]
Tips

• Create a database early in the project
• Fill in data as project progresses
• Provide drop-down list for department names if they stay consistent over time
• Try to provide a complete date range for professors’ employment
• Work closely with departments who have records with printed name information in their records
• Dedupe occasionally
Thank you!
